## Brass and Plated Finishes

Lever | Pull | Accessory

# Introduction

The **Traditional** brass and plated finishes range of lever handles, pull handles and accessories is a collection of door furniture assembled to offer the user a functional, yet high performance specification.

Lever handle designs in a variety of finishes including chrome, brass and bronze are complemented with matching pull handles, escutcheons and bathroom snib turn and indicator release sets.

Products chosen for the **Traditional** range have been selected for their durability and high performance standards, assisting service providers to meet their obligations under the Equality Act 2010 and the guidance given in BS 8300 (ADM).

Macnaughton Blair Architectural Division, consisting of Lloyd Worrall, Yannedis and MB Architectural can schedule your project requirements with all items adhering to the latest British and European standards as well as meeting the requirements of building regulations and of course BS 8300.

The Architectural Division specialises in a complete solution, incorporating not just the door furniture but also the mechanical and electrical items required to ensure we meet the buildings design and security needs.

Extensive group wide stocks and our own in-house master keying facility offers the client security and gives us flexibility in meeting the most demanding delivery schedule with a comprehensive range of locking options from entry level through to very high security cylinders.

Also available group wide is the supply and installation of access control and door automation products as well as signage and wayfinding scheduling, anti-ligature hardware, mail systems and bespoke hardware products.

All items can be supplied with TOUCHCLEAN anti-bacterial coating which is the very latest in the prevention and control of infection. Ideal for use in hospitals, schools and food preparation areas.

Our **Traditional** range of door furniture is only one aspect of our offer and we would encourage you to contact us or visit our website for further information regarding other ranges and finishes.
